FRONTEND DEVELOPER | GRAPHIC DESIGNER | IT SPECIALIST.

PROFESSIONAL SUMMARY

I am a highly motivated and detail-oriented professional with proven skills in **Frontend Development, Graphic Design, and IT Support**. Skilled at creating responsive and visually appealing web solutions, troubleshooting technical systems, and delivering innovative digital designs. With a **Diploma in ICT** and hands-on experience in **networking, software, and hardware support**, I bring both **technical expertise** and **creative problem-solving** to help organizations achieve their goals.
